Symbols, Signs and Flags 110 min

Objective:

Students will learn about mottos, symbols and state flags.

Big Idea:

Why do states have a flag, symbols and mottos?

1. Warm Up / Anticipatory 15 min

Read aloud the book: The 50 States: Explore the U.S.A. with 50 fact-filled maps!

2. Investigation and New Learning 75 min

- Students will randomly select a state (states are printed on slips of paper and drawn out of a paper bag)
- Students will research their state.
- Students will work independently and design a new state flag, create a new motto, and a new symbol for their selected state.
- Students will write a paper accompanying their state based on their new creation. The paper must explain the flag, the selected colors, symbol, motto, and significance of selections to the state.
- Students will add pictures, their motto and symbol to a multimedia slide as part of a whole class project.

3. Review & Check for Understanding 30 min

Students will share their newly designed flags and orally share about the flag, motto and symbols of their choice within a small group. Each student will have 3 minutes to present within their small group.

Note: 1. Create an aura and video of all the newly designed state flags. 2. Share the video with authentic audiences. Ask audience if they can determine which new flag represents their state.
