★ FLEX YOUR WONDER ★

What Is Camp Wonderopolis™?

This free online summer-learning Camp is full of fun, interactive STEM- and literacy-building topics boosted by Maker experiments! Keeping kids and their families learning together throughout the summer and out-of-school time, Camp Wonderopolis can help build vocabulary, background knowledge in science, reading comprehension, critical thinking, and other literacy skills along the way.

When you register as a Camper (kids of all ages) or Counselor (parents, community and library program staff, teachers), you'll enjoy learning through wonder—an approach created and honed by the award-winning Wonderopolis.org! This year's theme, Flex Your Wonder, is full of health- and fitness-focused Wonders that tap into real-world learning from the Olympics to nutrition and beyond.

"My kid is having a blast with #campwonderopolis today! Earning Wonder Cards and learning lots!"

**- Jenny L. (@jluss)
Parent Counselor**
